WORK EXPERIENCE

Graphic Designer

MARCH 2023

Tropicana Worldwide Corp. | Cagampang St, G.S.C

- Utilized graphic design software, including Adobe Creative Suite (Photoshop, Illustrator, Indesign), Figma and Canva, to craft visually appealing designs that aligned with the company's brand image such as ID's, ID lanyards, social media images, tarpaulin design, infographics, brochures, presentations, and other print media.
- Captured photography sessions for employees, hotel rooms, and products, then enhanced the images for social media posting and production purposes.

User Interface and Graphic Designer

FEBRUARY 2023

Budz Laundry Shop | Lapu-Lapu St, G.S.C

- My responsibilities included designing and proposing a user interface for their newly developed web application focused on booking systems.
- Enhancing website visuals by designing graphics for elements such as the Hero banner, Services Process Flow, Registration form, and login form.

Data Entry & Technical Support

NOVEMBER 2021

SPES (YADO & DSWD) LGU Gensan

- Organized and managed client records using a document tracking system.
- Prepared and sent endorsement letters to various agencies within the local government unit (LGU) and assisted in responding to incoming calls and provided technical support for computer, printer, laptop, and other related device repairs.
